

Committed to You

Committed to You,  
I want my life to be committed to You,  
I give my heart and my body and soul to be committed to You.  
To be devoted and true.

How can I follow, fanning the flame.  
Through despair and hardship,  
Never be the same.  
Change me rearrange me,  
Move me in Your ways,  
Claim this life for Thine Lord,  
Devoted to You all off my days.

Change my life and let it be.

I surrender, to a faithfull God.  
Burn me with Your fire,  
Purify my love,  
When I make my choices,  
I want them to be true.  
Even in the valley,  
Living my life for You.

Change my life and let it be.

Committed to You,  
I want my life to be committed to You,  
I give my heart and my body and soul to be committed to You.  
To be devoted and true.
