

## **Come, let us return to the Lord**

All of us like sheep have gone astray  
Seeking our own way.  
We've left the shepherd's care again.  
Through the wilderness we wander  
In the hopelessness of sin.  
We must run into His arms from where we've been.

Come, let us return to the Lord.  
Let our hearts yearn for the Lord.  
Only His love will save us.  
For though our lives are broken,  
He will mend and restore our hope again.  
Let us return to the Lord.

By His grace alone we have been saved,  
Rescued from the grave.  
And through His blood we have new life.  
May the passion of our first love  
Bring us to our knees.  
We can know the heart of God if we believe.

Come, let us return to the Lord.  
Let our hearts yearn for the Lord.  
Only His love will save us.  
For though our lives are broken,  
He will mend and restore our hope again.  
Let us return to the Lord.

To the one who breaks our pride so He can heal us.  
To the one who binds our wounds and knows our scars.
