

Fairest Lord Jesus, You are ruler of all nature,  
O Thou of God and man the Son.  
The will I cherish, Thee will I honor,  
Thou my soul's glory, joy and crown.

Fairer are the meadows and fairer still the woodlands,  
Robed in the blooming garb of spring.  
Jesus is fairer, Jesus is purer,  
Who makes the woeful heart to sing.

Fairest Lord Jesus, we love You  
Fairest Lord Jesus, our Savior and Friend,  
A song of worship we bring to You  
Honor and glory Amen.

Fair is the sunshine;  
Fairer still the moonlight.  
Jesus shines brighter  
Than all the angels heaven can boast,  
Brighter than the starry host.

Fairest Lord Jesus, we love You  
Fairest Lord Jesus, our Savior and Friend,  
A song of worship we bring to You  
Honor and glory Amen.

Beautiful Savior!  
Lord of the nations!  
Son of God and Son of man!  
Glory and honor, Praise, adoration,  
Now and forever more be Thine!

Fairest Lord Jesus, we love You  
Fairest Lord Jesus, our Savior and Friend,  
A song of worship we bring to You  
Honor and glory Amen.

Honor and glory Amen!!
