

Name above all names

Solo:

We can never praise You enough,
For all the things You've done
We can never praise You enough,
For the kindness You have shown.
You are holy,
So worthy to be praised.
So we praise You Lord the best we can,
Please accept our offering.

Koor:

Name above all names,
Ruler of creation.
We lift Your name up high,
And trust our life's to You.
King above all Kings,
Master of perfection
Hold us in Your hand
While we worship
The name above all names.
