

**To where you are**

*(Josh Groban)*

X

Who can say for certain  
Maybe you're still here  
I feel you all around me  
Your memories so clear

Deep in the stillness  
I can hear you speak  
You're still an inspiration  
Can it be that you are my, forever love  
And you are watching over me, from up above

Fly me up to where you are, beyond the distant star  
I wish upon tonight to see you smile.  
If only for a while to know you're there  
A breath away's not far to where you are

Are you gently sleeping  
Here inside my dream?  
And isn't faith believing  
All power can't be seen

As my heart holds you  
Just one beat away  
I cherish all you gave me, everyday

Cause you are my, forever love  
Watching me, from up above

And I believe that angels breathe  
and that love will live on and never leave

Fly me up to where you are  
Beyond the distant star  
I wish upon tonight to see you smile  
If only for a while to know you're there  
A breath away's not far to where you are

I know you're there.  
A breath away's not far to where you are
